NEWS LETTER

June 1964.

LETTER OF INTRODUCTION

The Social Club Committee takes this opportunity to say "hello" to all members and extends a warm welcome to anyone new wishing to join us. This welcome also goes to non-members of course, who would like to become members, but due to overwork, strain, babies crying in the night, etc., have not been able to join in our activities.

We hope to bring you a variety of entertainment consisting of; block-bookings at Cinemas' and Theatres', scenic-drives, a variety of trips and if we can stimulate enough interest, darts matches or something similar. At this point may we add, the committee will always welcome suggestions.

Included in the letter, will also be advertisements of people we have had personal contact with, and although we cannot quote any 50% discount allowances!? we can assure you of genuine service. These places will be near to the factory. While we're on this subject, do you all know there is a staff discount available after 6 months service with the Company on goods purchased from Bell Radio & T.V.?

In conclusion we have all enjoyed previous functions, and our last dance held at the Balmoral Bowling Club was a great success. Part of our entertainment was a "Bell Auction" by our Sales Manager, Mr McMillan, and one fortunate person won a pig!

---

The Management of Bell Radio expresses pleasure at the increased activities of the Bell Social Club and wishes the Club and its members every success.

Social activities after work play an important part and the new ideas of the club will undoubtedly create an atmosphere even better and happier than enjoyed so far by Bell Staff.

A WORD ON ACTIVITIES

Up to the present the committee has mainly been concerned  
with arranging occasional socials and picnics for members.  
Activities, we feel, have been far too few, and we want  
very much to make a broader programme of events, with  
emphasis on variety. To make this possible we need to  
increase our membership.

Then, financially stronger, more activities can be  
introduced.
